

# Celebrate the Spring Season!

*Even though you may be limited in the places you can go to enjoy the onset of Spring weather, make the most of those places available to you. We are seeing a huge surge in the level of yard care and maintenance so join the fun and make your living spaces more beautiful and fun to spend time in. Take a walk through that local park and/or recreation area that has been so close to you all this time. Just be safe and heed local ordinances, spread the joy not the virus!*

Why would you want to launch a career in the Parking Industry?

Did you know that Parking is a \$30 billion per year industry?

## What Has the Board Been Doing During This Pandemic?

We have a collective belief that when this craziness abates and we can get back to a more normal mode of working and growing our businesses, the demand for great employees will be huge. To that end, we have decided not to wait to execute our mission of educating Service Members about the technologies and opportunities available in our Industry. Like so many other industries, we are working on programs to reach our Service Members using all the technologies available to us. Our plans of attending multiple job/career fairs at local military bases have dissipated as you can imagine, but we are working hard to get the attention of “soon to be civilian” Service Members (aka short-timers) by developing a uniform webinar presentation and exposing as many short-timers to it as possible. In addition to educating Service Members as mentioned above, we are also looking to gather resumes from interested Vets so we can fulfill our mission to our Sponsors and employers within the Parking Industry. We are also aware that many Veterans currently, or recently employed in our industry are being furloughed, or even worse, laid off by their current employers. If you are a newly unemployed Veteran you are also eligible to participate in our program, the only requirement is to be a member and get your resume to us. The membership dues for Veterans is only \$ 50.00/year and if you are not able to afford those dues due to your employment situation, we will defer membership dues for 2020.

*We will be exhibiting at the IPMI Virtual Conference and Expo happening June 1<sup>st</sup> and 2<sup>nd</sup> – different Board members will be hosting the virtual booth. Check our website as the event draws near for our booth hours - register for the show at this URL:*

The Board of Directors is pleased to announce that our organization has found a physical home! Administrative and warehouse space has been generously donated by cramZ marketing services at:  
 6380 Tupelo Dr. Ste 2 Citrus Heights, CA 95621  
 Give us a few weeks to make the offices presentable, then come by and visit when you are in the Sacramento area.
