

PRESS RELEASE – FOR IMMEDIATE RELEASE – 6-23-22

Veterans in Parking proud to announce the renewal of our affiliation with the VET-TEC Employer Consortium. VET-TEC is a training program funded and managed by the Veterans Administration that provides Veterans with training in high tech fields such as Software Engineering, IT Management, Java Developer and IT Security Specialist. Having access to resumes from VET-TEC graduates allows us to further our mission of: Parking Jobs for Veterans and Veterans for Parking Jobs.
